STEP 24		60,109										67,103

\*Masters Stipend = \$1,696

\*Doctoral Stipend = \$849

\*National Board Stipend = \$849

\* Stipends receive the same percentage increase as is given for salary increases effective 7/1/07

**Stipends reflect 2.5% salary increase for 2007/08**

Credentialed teachers will be placed on step 1, 30 units minimum

**0 COLUMN:**

\*Non-credentialed teachers

Teachers in column 0 must provide a letter from their college or university stating they qualify for a regular credential before being moved into another column

The new salary will begin the month following receipt of the verification and is not retroactive.

Out of state credentialed teachers who are eligible for a CA credential will be placed in column 0 until the CA credential is received.

When the CA credential is received, salary will be retroactive to date of hire.

If the out of state teacher does not initially qualify for a CA credential, they will remain in column 0 until the CA credential is received and then placed appropriately on the schedule the first of the month following receipt of the credential; salary will not be retroactive.

This schedule requires:

35 units Step 9

40 units Step 10

Approved for 2004/05 10-21-04

50 units Step 12

60 units Step 16

70 units Step 20

80 units Step 24

\*Effective 4-17-03 the existing School Nurse will be allowed to advance to Step 24
